

ONE TREE, COUNTLESS BENEFITS

Part of Our Stormwater Resiliency Strategy

COME HEAR ABOUT THE
NEW STATE MANDATE!

Town Hall • March 27, 7 P.M.
Municipal Center

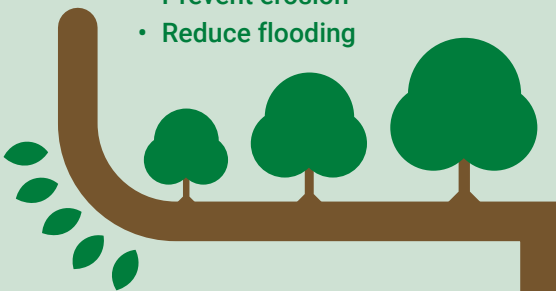

Trees increase your
property value by up to

+10%

Trees have a lot of benefits:

- Stop water from seeping into basements
- Filter pollutants
- Prevent erosion
- Reduce flooding

**ONE
TREE**
can absorb up to

10K
GALLONS
of rainwater
per year.

Trees can reduce energy costs by up to

25%

Natural shade from trees makes it
10-15 degrees cooler.
