Landmark Trees

The Committee has compiled a list of Montgomery Twp. Landmark Trees. The current champion is a white ash measuring 16 feet 11 inches in circumference. See our latest list of Landmark Trees below. If you have a candidate for our list (over 6 feet in circumference for tall trees and over 3 feet in circumference for understory trees, both at 4.5 feet from the ground), please send the information about your tree along with your name, address, and telephone number via email to [Shade Tree Committee](#).
