

Digital Exchange Point at Municipal Center

News Release Date

04-24-2024

With the rise in online marketplaces, Montgomery Township has established a digital exchange point at our municipal center. This is a public location that is safer for meeting people from online to buy and sell.

While the exchange location in our parking lot is under video surveillance, our police department reminds you to still follow common sense safety guidelines.

- 1☐ Meet only during daylight hours
- 2☐ Bring a friend or relative
- 3☐ Keep jewelry and excess cash out of view
- 4☐ Have a cell phone ready to call for help if needed
- 5☐ Beware of ongoing scams

Our location is designed to increase safety for online transactions, but our township staff will not monitor nor assist with any transactions.

The address of the Montgomery Township Municipal Center is 100 Community Drive, Skillman, NJ 08558. It is located on Orchard Road near Rt. 206. See map below.
